

GRADE 4 SCAVENGER HUNT DIRECTIONS

Enter West Entrance

Stop 1 Mad Science—take an immediate left down the first hallway; classes will line up and enter presentation area as presentations are finished. We ask that your classes sit quietly until the presentation is finished.

Stop 2 Amber Way—from Mad Science, enter the show floor facing the Amber Way booth.

Stop 3 Xquisit Minerals—turn left from Amber Way booth; Xquisit Minerals is the last booth on the row.

Stop 4 Solomon's Mine—from Xquisit Minerals, make a right turn around the end of the row; make a left turn down the next aisle. Solomon's Mine is the 2nd booth on the row.

Stop 5 Natural Selection—from Solomon's Mine, proceed down the aisle; exit the show floor; Natural Selection is located at this exit

Stop 6 Proctor Museum—from Natural Selection, walk across the hallway to Proctor Museum display. This is a high-traffic area, so please bunch your students tightly to make the crossing.

Stop 7 Ice Age Display—proceed down the hallway; Ice Age display is next to Proctor Museum in front of the main entryway.

Stop 8 Art-N-Nature—proceed down the hallway; Art-n-Nature booth follows the Ice Age Display.

Stop 9 Dreamstar—proceed down the hallway; Dreamstar booth follows Art-n-Nature.

Stop 10 Mineral Section—2 stops

Mineral table-next to Dreamstar

Fluorescent booth-across the hallway from the mineral table, booth created by using long black curtains.

Stop 11 Rock Food Table—enter the doorway behind the fluorescent booth; enter the aisle between M Design and Angela Fowler's Wire Art. Proceed down the aisle past Shu's; turn left (there are no questions for your students on this aisle, but the dealers won't mind answering questions). Proceed to the Rock Food Table.

Stop 12 Dino Dig—from the Rock Food Table, proceed down the back hall to the Dino Dig safety training area. Students will be given safety instructions, and teachers will be given a card that will determine when your class gets to "dig."

Stop 13 Youth Section—re-enter building through side door of atrium; proceed to the Youth Section booth.

Stop 14 Houston Geological Society—from Youth Section, exit doorway. HGS booth is facing the doorway.

Stop 15 Paleontology Section—turn left from the HGS booth, and follow the hallway to the Paleontology Section.

Exit the East Entrance

Exit through the East Entrance. If you qualified for a collection, please don't forget to pick it up as you leave. There is also an evaluation that the teachers need to complete in order to improve our School Daze program. Hope to see you next year!
